1. Meeting was called to order by President Pete Pettit at 6:06 pm. Pete opened with a reading by Alexis de Tocqueville on the greatness of America, and Carl followed with prayer.
2. Pastor's Report:
 - A. Pastor requests that only he or Bill be spokespersons for the upcoming Pastor call process, for credibility of information and to minimize inaccuracies and rumors.
 - B. Pastor will be gone three upcoming Sundays, one in August and two in October. Arrangements have been made for a substitute.
3. Approval of minutes: The minutes of the July 9, 2026 Council Meeting were read. A motion was made and seconded to approve the minutes as read. Motion was approved by voice vote. Many thanks to Kathy for covering for Mary at the July meeting.
4. Council Reports:
 - A. President (Pete Pettit): No report.
 - B. Vice-President (Leroy Peterson): No report.
 - C. Treasurer (Kathy Smith):
 - 1) Graph reports of Income and Expenses, preschool Income and Expenses, Restricted Fund balances as of July 31, 2026, and average Sunday attendance and giving were distributed. Sunday worship attendance remains strong. Preschool finished this school year in the black, with more income than expenses. Kathy made note that the new fiscal year has started, effective July 1.
 - 2) Kathy suggested that a portion of our General Fund be placed in a Certificate of Deposit to increase our interest earned.
 - a) Options are a 13 month CD at 4% interest, or a 7 month CD at 3.6% interest. This compares to our regular savings account, which currently receives a 1.98% interest rate. If funds are needed, a withdrawal from the CD can be made with a partial interest penalty.

- b) It is specified that monies for the CD would only be from General Funds currently residing in the savings account. General Fund monies currently residing in the checking account and monies in the savings account that are designated as Restricted Funds will not be transferred to a CD.
- c) A motion was made and seconded to place \$100,000 of General Funds in a 13 month CD. Motion was approved by voice vote.
- d) A motion was made and seconded to place an additional \$50,000 of General Funds in a 7 month CD. Motion was approved by voice vote.

D. Board of Elders (Bill Hermann):

- 1) With the selection of Carl Deverter as elder, *member assignments to elders will be reworked and equalized.*
- 2) With increasing worship attendance, the elders would like a goal of 9-10 persons at each communion table in order to expedite communion service.
- 3) The elders ask Altar Guild servants to place the empty cup tray in the first or second place position in the stack, for ease of access for collection of empty cups.
- 4) Pastor recommends additional volunteers be recruited for the Sunday fellowship hour.

E. Evangelism (Carl Deverter): Clallam County Fair planning is going well. The theme for our booth is "Family," and the preschool will be promoted. Christian hymns and music will be played at the booth.

F. Fellowship (Peggy Romero):

- 1) Three baptisms are scheduled on August 23. Peggy will coordinate snacks for fellowship hour.
- 2) LWML Sunday is the first Sunday in September, and additional baptisms are scheduled on that date.
- 3) Peggy is looking at new tablecloths for the fellowship hall. Total cost should be less than \$400, which could be paid with funds from LWML, Wednesday dinner, and/or Special Projects.
- 4) The Women's Bible study books have been ordered for the next study session. Peggy will collect an appropriate amount from each participant to cover the cost.

G. Human Care (Kay Hermann): Additional volunteers are being recruited for Wednesday dinner, especially for cooking.

H. Stewardship (Lynn Vernon/Sylvia Drake):

- 1) Lynn is returning as Stewardship Co-Chair, together with Sylvia Drake.
- 2) Lynn and Duane need assistance getting tables from church to their home for New Member dinners. Leroy volunteered to help.
- 3) Lynn distributed the Spiritual Gifts inventory she plans to use. This inventory will help respondents plan their commitment to church serving and giving. Peggy suggested having a "Spiritual Gifts Sunday" to distribute and promote the inventory.

I. Trustee (Kathy for Dan Smith):

- 1) The yearly water heater inspection has been conducted, with no problems identified.
- 2) A question was asked if our electric panel has been recalled, but answer is unknown. *This will be double-checked.*
- 3) The roofer identified to replace the roof on the 116 house is not communicating with us, and the roof replacement remains incomplete. *Dan will work to identify another roofing contractor.*
- 4) Bill suggested a new sign contractor to get the exterior sign replacement going forward.
- 5) Kathy showed carpet samples for the fellowship hall carpet replacement. No selection has been made.

J. Youth & Education (Janis Deverter): Sunday School is going well, with a large number of children on some Sundays. Peggy suggested a volunteer sign-up be initiated for a Sunday School assistant.

K. Finance Chair (Vacant): No report.

L. Information Technology (Vacant): No report.

5. **Subcommittee Reports:**

A. Preschool (Pam Predovich):

- 1) Seven students are registered for the upcoming school year. We need 3-5 additional students.
- 2) Ariana will be the new assistant teacher.
- 3) Pam is considering a Bunco party fund raiser, possibly in January or February.
- 4) Resurfacing the playground is being looked at, with consideration to cost and available labor.

B. Constitution and Bylaws (Leroy Peterson): The document is in the final stage of refinement. *A special congregational meeting will be scheduled to ask for congregational approval.*

6. **Unfinished Business:**

A. Annual Report. The final draft was emailed to all council members for a last review. By consensus, the Annual Report was approved for publication.

B. Call Committee. Circuit Visitor Pastor Carnahan has provided the elders with material to review.

C. Too Poor to Give.

- 1) Leroy submitted a document to support increasing our outside mission giving to a level of 5% of offerings received. Leroy suggested that we as a church need to set an example for the congregation at large.
- 2) It was noted that, while this may be a good goal, we don't have congregational authorization to spend beyond the currently approved budget.

- 3) Pastor stated that many members individually give to missions on top of their church giving, which should be taken into account when discussing our church mission giving.
 - 4) A motion was made to increase the Evangelism budget by \$7,000 in order to increase our outside mission giving by an additional 2-1/2% over current. It was stated that, even if Council approves the motion, the congregation would be required to approve an amendment to the budget for increasing mission giving before this could be implemented.
 - 5) A request was made to table the motion until next month to allow council members time to consider and pray over this issue. Request was agreed to by consensus.
- D. New Pastor Salary. Leroy submitted a statement urging that we listen to God when calling a pastor and not give undue emphasis to the salary component. Bill affirmed that we are not making salary the primary consideration.

7. New/Current Business:

- A. Narthex Welcome Sign. Kathy showed a sample of a framed poster for display in the narthex which would consist of various and seasonal "Welcome" messages. Kathy remarked that our current online advertising consists of regular Facebook and Instagram postings. *The purchase of signage materials for the purpose of creating a Narthex Welcome sign was approved by consensus.*
- B. St Matthew emergency site.
- 1) Pete inquired if we could serve as a site to temporarily feed and house persons in case of community emergency or natural disaster. All agreed it was a good idea but the lack of shower or bathing facilities limits our ability to house persons. However, we can provide meals and could make the parking lot available for RVs or campers.
 - 2) Pastor would like to receive information about any LCMS churches that have been affected by the Spokane wildfires, for our individual giving opportunity.

8. **Closing:** Meeting adjourned at 7:48 pm with closing prayer by Pastor.

Respectfully Submitted,

Mary Heller
Recording Secretary

Recap of follow-up actions:

- 1) Member assignments to elders will be reworked and equalized.
- 2) It will be double-checked if the electric panel has a recall.
- 3) Dan will work to identify another roofing contractor.
- 4) A special congregational meeting will be scheduled to ask for congregational approval of the revised Constitution and Bylaws.
- 5) Kathy will purchase and create a framed Welcome sign for the Narthex.

Hello Congregation,

Preschool: A Month of Learning and Growing

What a Wonderful first month we have had in preschool! Our little learners have been busy discovering letters A, B, and C; Numbers 1,2, and 3; Shapes including circles, Squares and triangles; and the colors red, blue and yellow. We have practiced our classroom rules, circle time routines, and germ awareness, learning the importance of washing our hands and covering our coughs.

Our Bible lessons have been a special part of each week as we learned about God's creation ,Adam and Eve, and Noah and the Ark. We have been reminded that God made us, loves us, and forgives us when we make wrong choices. Our memory verse: "And God saw that it was good."-Genesis 1:10

We enjoyed our first chapel times with Pastor, singing together and learning about sin, and we even received apples from his tree! We celebrated 2 birthdays, and even welcomed a new friend this month. The Children also enjoyed a special visit from Mrs. Patricia, who came to read to our class.

We are so thankful for the opportunity to teach, encourage, and nurture these little hearts each week. Thank You, Church family, for your prayers, encouragement, and continued support for our preschool. We are blessed to be part of a church family that helps us create a loving environment where these children can learn, grow, and discover God's love!

Endurance Is Faith Over Time

Pastor J.D. Greear

Crosswalk Daily Devotion

How many times do you think Joshua's men wanted to quit walking around the walls of Jericho? How did they keep going when the walls looked exactly the same halfway through the sixth lap on the seventh day as they did when they started? How did they endure? Just as importantly, how do we endure? How do we keep following Jesus when everything in our life remains exactly the same—or even gets worse—day after day?

I'm an incrementalist, which means I don't mind working hard, but I want to see progress over time. I learned this about myself when I read *The Boys in the Boat*, about a U.S. rowing team in the 1930s that won the Olympics. (Incredible book, by the way!) I quickly realized that the worst part of being on a rowing team would be not knowing how close the finish line was. See, on a rowing team, the coxswain is the only one who can actually see how near the end is. Everyone else is straining and pulling, looking backwards the entire time. The coxswain for the U.S. team would even play tricks on the crew to get their best effort. He would say things like, "OK boys, just 15 more seconds, and we'll be across the finish line. Give it all you have!" They'd row for 15 seconds, digging like crazy. Then he'd say, "Just 15 more seconds!" Apparently, it worked, because they won the gold. But I'm not sure I would have stuck around after that. I want to see the finish line coming closer with every stroke. That rowing team had a lot in common with Israel as they marched around Jericho. Day after day, they walked around the walls of Jericho with no end (or wall crumbling) in sight. Every day they marched, and nothing happened. The walls looked the same at the end of day six as they did on day one. I imagine these guys coming home each night to their wives in their tents. "How was your day, honey? Tell me everything! Did you show everyone how brave you were and use your fancy new sword?" To which these guys had to sheepishly respond, "Well, actually ... we just kind of ... well ... we walked around. After a while, the people from inside Jericho came to watch. Then they started laughing at us. And we just ... kept walking."

Every day they had to walk around, seeing no progress at all. I mean, if I were God, surely, I would want the people to stay motivated, so I'd at least have a couple of bricks fall here and there. Give the people something! But God chose to do nothing until that seventh lap on the seventh day—when everything came crashing down. Isn't this the way it feels in your life sometimes? You're obeying each step God has put in front of you, but you're just not seeing the fulfillment of his promises. You're reading the Bible, and you don't see any difference in your life. Or you're trying to raise your kids right, but they keep doing stupid stuff. You're trying to be what you should be in your marriage, but your spouse isn't changing. Or you're trying to do the bigger thing and forgive, but that other person doesn't forgive you back. You're paying off your bills and you've finally gotten your head above water, but then your car breaks down or you get a medical bill. In all of it you say, "God, come on, let me see a couple of bricks fall!" And God says, "But see, I want you to walk by faith, not by sight. I want you to believe I'm working, even if it doesn't look like it." Endurance isn't marching along, motivated by little rewards along the way. No, endurance is faith expressed over time.

Just because your progress isn't obvious doesn't mean your faith's not working. You have to keep walking. Sometimes, God lets us walk around and around without seeing results because he wants our faith to be less focused on an outcome and more focused on obedience. Outcome is God's responsibility; obedience is ours. As the Israelites walked around those walls in Jericho, the situation might not have been changing. The walls might not have been changing. But you know what was? I guarantee you the people were changing. God wasn't just preparing the Promised Land for them; more importantly, he was preparing them for the Promised Land. They were being reminded that it was God's strength alone that could do this, not theirs. Had God knocked those walls down on the first lap, they might have quickly forgotten it was him who brought them in and started to assume it was their own strength that won the battle. Every lap reinforced, "'Not by might, not by power but by my Spirit,' says the Lord" (Zechariah 4:6).

A friend of mine says, "It is in circling the walls that we are prepared for the promise." Listen, I don't like the endless laps any more than you do. But I've learned to thank God for the laps, because the long, lonely laps of "unfulfilled" promise are where God puts the Promised Land into me. If God were to bring me into the Promised Land today without every putting that Promised Land in me first, I would transform the greatest heaven into hell in no time. More than I need God's victory in my life, I need God's presence in my life. And for that, there's only one path—the long loneliness of the Jericho laps. Maybe you're the one walking in circles wondering, "How much further, God? How much longer?" To which I want you to imagine Jesus saying, "Be steadfast, immovable, always abounding in the work of the Lord, because my cross and resurrection show you that God always brings resurrection after the cross of obedience."

Keep walking, keep obeying. Act like every lap is your last. And one day, **you'll be right.**

We give thanks for Cindy Holland's visit to our church on 9/23. Cindy is the Dean of the Olympic Peninsula chapter of the American Guild of Organists (AGO). She played our Bond organ, and the preschoolers came up to listen. Cindy pointed out that it's important for more young people to learn to play the organ.

Cindy and others traveled with me to BachFest last June.

I got my start as a church organist by replying to an ad in an AGO newsletter in 1994. (My mother-in-law was an AGO member, who provided the newsletter.)

Recently I've purchased and downloaded some wonderful organ arrangements that I've been practicing on my home organ, purchased last May.

Blessings, Ken Young

FUN- FALL- EVENTS- RESOURCES

Is your church holding a fall event for children and families? LHM has resources for you to include in gift bags, treat boxes, door prizes, and the like. The Kid's Booklets come in many topics and can be ordered in Spanish. Introduce families and teachers to Gospel Adventures with flyers and stickers. Project Connect Booklets are great for parents and grandparents. Order stickers for teens and adults to put on their cell phones to remind them to listen to Daily Devotions at lhm.org. Ask your LHM ambassador to help you order resources or become an ambassador and get a discount when you order! At the LHM website you can preview booklets and items before you order.

WA -AK DISTRICT

Bringing Christ to the Nations

And the Nations to the Church

OCTOBER 2026

lhmdist33.org

NORTH TO ALASKA!

Lutheran Hour Ministries WA-AK District serves 132 LCMS congregations in a 2-state area of 736,746 square miles! The geographical and distance challenges are many, and we are thankful for technology that connects us for communication and support. The district leaders desire to meet and build relationships with pastors and church members in the district to share LHM resources, education, and support for their ministries. Your WA-AK district board has voted to reach out in 2026 to our families in Christ in Alaska.

In early November, our pastoral advisor, Rev. Don Petersen, and our district president, David Dybwad, will spend 10 days holding LHM Sundays and Hopeful Neighborhood workshops with congregations in southwest Alaska, including a visit to the Peninsula Radio Group that broadcasts The Lutheran Hour, and meet with pastors, elders, and the like, at Star of the North Lutheran in Kenai, and Faith Lutheran, in Homer.

Please pray for this effort that God will strengthen the outreach and mission of our sister churches in Alaska so communities there will hear the Gospel of Jesus' love and forgiveness. Thanks be to God for all of our LHM district donors who help make outreach possible. If you are interested in supporting our LHM District outreach, donations can be sent to Washington-Alaska District ILLL, 623 75th Ave, Yakima, WA 98908.

ESTER IN PERU

LHM-PERU provides a radio program and offered a drawing for listeners to win a family board game, a Bible, and chocolates. One listener, Ester, won the drawing and told LHM workers that the radio program helps build unity in her home, strengthens good values, and she thought the teachings were uplifting. She asked for the program to remain on the air. Ester said this was her first Bible and that it was blessing to her. She is reading it regularly and is eager to learn more about Jesus.
